Docket # H122
Room N-2625
US Dept. of Labor
200 Constitution Ave, NW
Washington, DC 20210

Dear OSHA;

Our company been informed that the above proposed indoor air quality regulation will cost about \$65,000 in addition to the square footage cost of the facilities required. This amount will result in undue economic hardship for our company.

Our company's policy presently accomodates both smokers and non-smokers. We have not found our present policy to be deficient as it has never generated any complaints.

I urge OSHA to reconsider this regulation in favor of the accommodations that have already been put in place.

Sincerely,

Bill Burton
